1. Freely give. You've received so freely, costing you everything. Now, everything you get back, before the world was, as you've known it, not for these last few years. But all new, the glory given now, received (1). Accepted not as a man of receiving something from someone else, but a me receiving me, "succumbing" to righteousness. Giving in to my love, to be it, my love is, manifest, -ly unburdened now – glory receive. I've blessed you with it. You had it, before the world was (2). Taken there now, you manifest, receive, the blessing you take to others now. I be with you. I am you. I am. Amen.

2. I be with you, i am you; my mantra, not; but what is my mantra/am i genre'ing now? A NEW PERSON ME, THAT'S ME COMPLETELY.
